RATINGS OVER 5-YEAR PERIOD

YEAR	ABSOLUTE RATING	GROWTH RATING
2013	Good	Good
2012	Good	Good
2011	Good	Good
2010	Average	Average
2009	Average	Average

DEFINITIONS OF SCHOOL RATING TERMS

- Excellent – School performance substantially exceeds the standards for progress toward the 2020 SC Performance Vision
- Good – School performance exceeds the standards for progress toward the 2020 SC Performance Vision
- Average – School performance meets the standards for progress toward the 2020 SC Performance Vision
- Below Average – School is in jeopardy of not meeting the standards for progress toward the 2020 SC Performance Vision
- At-Risk – School performance fails to meet the standards for progress toward the 2020 SC Performance Vision

SOUTH CAROLINA PERFORMANCE VISION

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

Report of Principal and School Improvement Council

The faculty and staff at Starr Elementary are dedicated to helping each student meet and exceed their individual abilities and helping them develop to their fullest potential. Starr Elementary served 410 students in kindergarten through fifth grade during the 2012-2013 school year. All grade levels at Starr Elementary hold students accountable for mastering the state standards and striving for excellence as they are emerged with character building traits to help them in all facets of life. Starr Elementary hosted a district Jet Toy competition. The first and second place teams competed in the regional competition hosted in Clemson, S.C. Our group of three fifth graders won the competition and then flew to Detroit, Michigan to compete in the International Competition. Although we did not finish in the top three, we did come home with sportsmanship medals. For the second year in a row, Starr received a Palmetto Silver Incentive Award from the South Carolina Department of Education. The curriculum at Starr is driven by data. Academically, Starr has enriched each classroom with a literacy base environment. Starr continues to use MAP testing to help our staff better identify the strengths and weaknesses of the curriculum and their students. Benchmark assessments are given to find each child's reading level. The data driven instruction allows teachers to better meet the needs of each individual student. Many improvements have been made at Starr Elementary through the active involvement and teamwork of our faculty and staff, PTO members, parents and community members. Starr is very fortunate to have a very active and supportive PTO that helps foster the relationship between the school, home and community. With the involvement of the PTO, faculty, staff, and community, Starr Elementary hosted a Spring Fling, sponsored school dances, teacher appreciation luncheon, organized 5th grade end of year fun day, Santa's Workshop, supported our Box Top Drive, and assisted with Field Days. Many parents have volunteered numerous hours giving of their time, energy, and support to help Starr shine bright in all areas. This year we partnered with Michelin to incorporate a mentoring program. Michelin employees came once a week and mentored some of our students. This program had a tremendous impact on our students. Throughout the year, Starr conducted several award ceremonies to reward students with good grades, accelerated reader points, and terrific kids. At the end of the year Starr honored our kindergarten and 5th grade students with a graduation ceremony. Students 1st through 5th were honored during an Award's Ceremony for their achievements throughout the school year. Our fourth grade teacher, Rebekah Johnson, was selected by the faculty as our Teacher of the Year. Starr Elementary strives to personally touch the lives of each student. Together with our parents and community, we are dedicated to providing our students with exciting and motivating learning experiences that will make a positive impact on each child preparing them with the necessary skills to compete in the 21st Century.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	98.2
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Starr Elementary school has been designated as a:

- ☒ Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- ☐ Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- ☐ Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- ☐ Title I Priority School – one of the 5% lowest performing Title I schools.
- ☐ Title I School – does not qualify as Reward, Focus or Priority School.
- ☐ Non-Title I School – therefore the designations above are not applicable.

Teacher Quality and Student Attendance

	Our District	State
Classes in low poverty schools not taught by highly qualified teachers	N/A	2.3%
Classes in high poverty schools not taught by highly qualified teachers	N/A	4.9%

	Our School	State Objective	Met State Objective
Classes not taught by highly qualified teachers	0.0%	0.0%	Yes
Student attendance rate	95.9%	94.0%*	Yes
